

Finance Professional: Accountant & Auditor

Since 2003, Clark Schaefer Consulting has been providing accounting, control and technology services to the largest public and private companies within our business community. During those years, the Firm has become known for delivering outstanding value-added services for a fair and reasonable price. Integrity, quality, respect, and innovation are all values that we deliver to our clients and we look for in our employees. If you are interested in diversity within your work experience; expanding your personal knowledge base; and being part of a team that is assisting top companies within your community improve their operations; then this is a great opportunity for you.

By design, we serve a diverse set of regional clients ranging from the Fortune 500 to privately held corporations. As a regionally based firm, we believe we offer an ideal work-life balance for those who enjoy client service work but want to avoid the extensive travel and time requirements of the national firms.

Job Description:

The successful candidate(s) will join a team of professional business consultants with expertise in our accounting, controls and technology service areas. Client engagements may include services such as budget/forecast analysis, internal audits, process improvement, acquisition analysis, internal control reviews, policy/procedure development, systems implementation assistance and other related business services. For more details on specific potential projects, please visit our website for a listing of the services we typically perform which might fit your background and skills.

Primary Responsibilities:

- Provide business-related consulting services to fulfill individual engagement requirements.
- Assist with the development of project plans, methodologies and client proposals as needed.
- Maintain a commitment to continuing education and professional development.
- Work as a team member with other highly skilled professionals to further the sales and growth of the Firm.

Education & Experience:

- Bachelor's degree in accounting or related fields.
- Accounting, internal auditing or other relevant experience.
- Professional certifications including CPA, CIA, and CFE are a plus.
- Excellent written & verbal communication skills.
- Minimum of 2 with an average of 5+ years of business experience preferred. Experience requirements may vary based upon the specific role that is applicable to the candidate.

To Apply:
